

Intelligence Studies Section (ISA/ISS) Panels at ISA2020 in Honolulu, Hawaii

(ISA/ISS Details here: <https://www.isanet.org/ISA/Sections/ISS>)

Please see below for the Intelligence Studies Section program at the International Studies Association (ISA) conference, 25-28 March 2020 in Honolulu, Hawaii. The Intelligence Studies Section is one of thirty thematic sections that make up the ISA, has approximately 400 members, and has been sponsoring research about intelligence as a function of government since the mid-1980s. This Intelligence Studies Section content (4 straight days, 30 panels and roundtables) is one small part of ISA's much larger conference. The full conference program is almost 300 pages; find details at the full conference website here:
